

AHPCC Membership Report May 2018

As of 1st May 2018, there are 114 members. 102 are full members and 12 are Associate. There are 15 new members this year.

The total figure is down on last year where we had around 165 members. Changes in personnel and restricted finance may partly account for the drop and this is a national trend. Some chaplains have retired and not been replaced. Others have had their hours reduced. It is noticeable this year that many chaplains with the title 'Spiritual Care Lead' work only part time. However, it is worth noting that, in spite of working part time, many chaplains prefer to hold full membership.
